

**SCC Academy supports Birmingham in creating Green Travel Districts; in areas where there are lots of people living and we aim to create an environment where people are put before cars, where residents, workers and visitors can safely walk, cycle or take public transport. The vision is for Districts with less congestion, less pollution, fewer accidents, and healthier, safer, more productive communities.**

## Sustainable Travel Options

AWARDED BY

## CYCLING

SCC Academy can be located approximately 4 km Southeast of Birmingham City Centre. In Birmingham you will find traffic free cycling routes, including canal towpaths, on road cycle lanes and signed routes on quieter roads. More confident cyclists may also choose to cycle on larger roads, mixing with faster moving traffic.

SCC Academy provides secure parking for bikes on-site in addition to lockers for riding apparel. There is also a shower available for those riding to the site.

A number of initiatives are run by Birmingham Council as part of the Birmingham Cycle Revolution that promote bike use, such as short term bike hire and cycling maps. For more information, visit [www.birmingham.gov.uk/bcr](http://www.birmingham.gov.uk/bcr)

## PUBLIC TRANSPORT

SCC Academy can be easily accessed using public transport.

### Bus

Eastbound and westbound bus stops are located on the A41 Warwick Road within 400 m of the site. SCC Academy is served by the number 4 and 4A bus services which run from Birmingham to Solihull via Acocks Green and bus service number 36, which runs from Sparkbrook to Heartlands Hospital via Acocks Green; operated by Claribel Coaches.

### Rail

Tyseley Railway Station lies approximately 1.2 km to the East of SCC Academy and would take approximately 14 minutes to walk. Around 6-7 trains run per hour at peak times with approximately 2 trains per hour in the off-peak periods. For more information on train timetables, visit <https://www.westmidlandsrailway.co.uk/stations/tyseley>

## WALKING

SCC Academy is within reasonable walking distance of many areas of Birmingham and could be combined with a bus or train journey.

With good-quality footway provision, a series of pedestrian crossing points well lit walking routes and the nearby Burbury Brickwork Nature Reserve close to the site, this is a great way to travel whilst staying fit in the process!

SCC Academy encourage all students, visitors and staff members to walk whenever possible during the day and provide umbrellas that can be used in inclement weather.

Copies of walking routes around Birmingham are available from the SCC Academy front office.
